62-300 Palmetto Fellows Scholarship Program

Synopsis:

The Commission on Higher Education proposes to amend and replace in its entirety R.62-300 of the Palmetto Fellows Scholarship Program. Beginning with the 2002-03 academic year, the proposed amendments will ensure that all students who meet eligibility requirements are awarded a Palmetto Fellows Scholarship not to exceed twice the amount of the previous year's average cost-of-tuition at South Carolina public four-year institutions as determined by the Commission on Higher Education. The proposed regulations also include language that will allow students who are pursuing their first professional degree to receive the scholarship for up to eight terms.

Instructions: Add new R.62-300, Palmetto Fellows Scholarship Program, to Chapter 62 regulations.

Text:

62-300 Purpose of the Palmetto Fellows Scholarship Program

Pursuant to Act 458 which was initially established as Title 59 of the 1976 Code as amended under Section 18A.28 of the 1997-98 Appropriations Bill, the Commission on Higher Education shall promulgate regulations and establish procedures to administer the Palmetto Fellows Scholarship Program. The General Assembly established the Palmetto Fellows Scholarship Program to foster scholarship among the State's postsecondary students and retain outstanding South Carolina high school graduates in the State through awards based on scholarship and achievement. The purpose of the Palmetto Fellows Scholarship Program is to recognize the most academically talented high school seniors in South Carolina and to encourage them to attend eligible colleges or universities in the State. A secondary purpose is to help retain talented minority students who might otherwise pursue studies outside the State.

62-305 Funding

Funds made available for higher education grants and scholarships under Chapter 143 of Title 59 of the 1976 Code, as amended under Act 458, South Carolina Children First: Resources for Scholarship and Tuition Act of 1996, shall be included in the annual appropriation to the Commission on Higher Education. Of the allocated funds, the Palmetto Fellows Scholarship Program shall equal fifty percent of the designated appropriation. The remaining fifty percent shall be allocated to Need-based Grants. The Commission on Higher Education shall award funds to eligible students as Palmetto Fellows Scholarships.

B. "Baccalaureate degree program" is defined as an undergraduate program of study leading to a bachelor's degree at a location approved by the U.S. Department of Education for participation in federally funded financial aid programs.

C. "Degree-seeking student" is defined as any student enrolled full-time in a program of study at an eligible institution, which leads to the first baccalaureate degree or first professional degree.

D. "First professional degree program" is a program of study that is structured so as not to require a baccalaureate degree for acceptance into the program and leads to a graduate degree, which will be the student's first academic degree awarded. Students are eligible to receive the scholarship for a maximum of eight terms as long as all other eligibility criteria are met. Students who have been awarded a baccalaureate degree are not eligible for scholarship funding.

E. "Full-time student" shall mean a student who has matriculated into a program of study leading to the first baccalaureate degree or first professional degree and who enrolls full-time, usually fifteen credit hours for fall and spring terms or eleven credit hours for fall, eight credit hours for winter, and eleven credit hours for spring trimester terms. (1) Be enrolled in a public or private high school or any other high school program of study approved and certified by that school district as conforming to relevant State statutes at the time of application and be a legal resident of South Carolina as defined in applicable State statutes governing the determination of residency for

Qualifying scores must be certified by the high school on the Palmetto Fellows Scholarship application by no later than the scholarship application deadline;

(4) Be seriously considering attending, have applied, or have been accepted for admission to an eligible four-year baccalaureate-granting public or independent college or university in South Carolina as defined under Chapter 143 and Chapter 113 of Title 59 of the 1976 Code as a first-time, full-time, degree-seeking student;

(5) Has not defaulted and does not owe refunds on any Federal or State financial aid. If a student has a Student Aid Report (SAR) or its equivalent on file or has applied for Title IV financial assistance by completing the Free Application for Federal Student Aid (FAFSA) form, the SAR information will be used to verify default status or refunds owed. Students who have not completed a FAFSA form must have an affidavit on file to verify that he/she is not in default and does not owe a refund on any Federal or State financial aid, including the State Grant, Pell Grant, Supplemental Educational Opportunity Grant, Perkins Loan or Federal Stafford Loan;

(7) Submit the official Palmetto Fellows Scholarship Application and comply with all the directions contained therein.

B. The high schools shall ensure that all students meeting the eligibility criteria are given the opportunity to be included in the applicant pool.

C. A high school student who transfers into the State or a student who is enrolled in a high school outside of South Carolina is eligible to participate in the program providing that the student meets all eligibility requirements as described herein as well as all residency requirements as described in the "Program Definitions" section above. A transfer student from, or a student enrolled in, an out-of-state high school may apply on the condition that the counselor or principal at the high school at which the student is presently enrolled provides official high school transcripts and appropriate documentation of compliance with all eligibility criteria, including State residency status, SAT score or equivalent ACT score that are certified by the high school on the Palmetto Fellows Scholarship application by no later than the scholarship application deadline, GPA at the end of the junior year, and rank at the end of either the sophomore or the junior year in high school. The high school principal or counselor must identify each eligible student and provide an application to each student.

D. A high school student who graduates immediately after the high school junior year is eligible to apply for the Palmetto Fellows Scholarship, providing that the student meets all eligibility requirements as described in the "Student Eligibility" section, and providing that the student is entering a participating college or university not later than the fall term immediately following high school graduation.

E. Students receiving a Palmetto Fellows Scholarship are not eligible for a LIFE or HOPE Scholarship.

F. Any student who attempts to obtain or obtains a Palmetto Fellows Scholarship award through means of a willfully false statement or failure to reveal any material fact, condition, or circumstances affecting eligibility will be subject to applicable civil or criminal penalties, including loss of the Palmetto Fellows Scholarship.

62-320 Student Application

A. The Commission on Higher Education will send applications to South Carolina high schools. High school officials will identify students who meet the following three criteria: SAT score or equivalent ACT score, and GPA at the end of the junior year, and rank in the high school sophomore or junior class. Applications will be returned no later than the established deadline along with the appropriate official signatures and the students' official transcripts by the principals to the Commission on Higher Education.

B. The high schools shall complete and return a list to the Commission on Higher Education indicating the names of all students who meet the eligibility criteria according to the high school. Both the high school principal and guidance counselor must sign the list. The list shall indicate whether the student is submitting a completed application or declining the opportunity to submit an application. If the student declines the opportunity to submit an application, the high school will submit a form for each of these students, signed by both the student and the parent/guardian, and indicating the reason(s) for not submitting an application.

C. Students must have certification that they earned a 3.5 GPA on a 4.0 scale or 3.5 on the Uniform Grading Scale at the end of the junior year. Because of the different GPA scales used throughout the State, the high school or the school district shall convert the student's GPA to a 4.0 scale to determine the student's eligibility at high schools that do not operate on a 4.0 scale as stated in Section 62-325B(2). This conversion will be permissible until the graduating class of 2004, at which time the Uniform Grading Scale will be fully implemented. To be eligible for the Palmetto Fellows Scholarship beginning with the graduating class of 2004, students must have certification that they earned a 3.5 on the Uniform Grading Scale at the end of the junior year.

D. Students must have certification that they rank in the top five percent of their high school class at the end of either the sophomore or the junior year.

E. For those high schools that have fewer than twenty students in the class, the high school can submit up to two applications (an application for the student who is ranked number one in the sophomore class and, if different, an application for the student who is ranked number one in the junior class). For those high schools that have fewer than forty students but greater than twenty students in the class, the high school can submit up to four applications (up to two applications for the students ranked number one – one for the student who is ranked number one in the sophomore class and, if different, one for the student who is ranked number one in the junior class; and up to two applications for the students ranked number two in the class – one for the student who is ranked number two in the sophomore class and, if different, one for the student who is ranked number two in the junior class). These students must meet all other eligibility criteria.

F. Students must have certification that they earned a score of at least 1200 on the SAT, or an equivalent ACT score. The Commission on Higher Education shall convert all ACT scores to the equivalent SAT scores.

G. Qualifying test scores must be certified by the high school on the Palmetto Fellows Scholarship application by no later than the scholarship deadline. It is permissible to select a verbal score from one test administration and a math score from a different test administration in order to obtain the qualifying composite score.

62-325 Selection Process

A. According to Section 59-150-350D of the South Carolina Education Lottery Act, “funds made available from the Education Lottery Account must be used to provide Palmetto Fellows Scholarships to all eligible applicants.” Palmetto Fellows Scholarship applicants shall be rated based on five categories weighted as follows only if insufficient funding is available through the Education Lottery Account to fully fund all eligible applicants:

SAT or equivalent ACT score	=30%
Junior year grade point average	=25%
Sophomore or junior year class rank	=25%
Extracurricular activities/work experience	=15%
<u>Counselor recommendation</u>	= <u>5%</u>
TOTAL	=100%

B. In order to calculate a rank order for each student, each of the five categories shall be assigned ranking points as follows:

(1) For the SAT score, the scoring shall be based on the number of SAT points actually earned on the test rather than on the score itself. This is because, merely by virtue of taking the test, all students are automatically given 400 points; thus, the formula subtracts those 400 points, which are not earned by the student. It divides the remainder by 1200, and multiplies the total by 30, which is the total number of possible points to be awarded for the SAT score. The resulting ranking points appropriately discriminate among higher and lower SAT scores. The formula will be as follows:

$$\frac{\text{SAT score} - 400}{1200} \times 30 = \text{ranking points for SAT score}$$

(2) For grade point average (GPA), the variances between weighted and unweighted GPAs shall be reduced by converting all weighted GPAs as follows: divide the weighted GPA of the applicant by the highest earned weighted GPA in the applicant's junior class and then multiply by four to convert to a 4.0 scale. The formula is as follows:

$$\frac{\text{Applicant's GPA at the end of the junior year}}{\text{Highest earned GPA in the applicant's junior class}} \times 4 = \text{GPA}$$

(a) All unweighted GPAs shall be reported on a 4.0 scale. Once the GPA has been determined, the following ranking points shall be awarded to the applicant based on the achieved GPA on a 4.0 scale at the end of the junior year:

<u>Points</u>	<u>GPA</u>
25	= 4.00
24	= 3.95 - 3.99
23	= 3.90 - 3.94
22	= 3.85 - 3.89
21	= 3.80 - 3.84
20	= 3.75 - 3.79
19	= 3.70 - 3.74
18	= 3.65 - 3.69
17	= 3.60 - 3.64
16	= 3.55 - 3.59
15	= 3.50 - 3.54

(b) By no later than the graduating class of 2004, all grade point ratios (GPR) must be reported on the Uniform Grading Scale and no conversions will be necessary. The following ranking points shall be awarded based on the achieved GPR on the Uniform Grading Scale at the end of the junior year:

<u>Points</u>	<u>GPR</u>
25	= 4.50 and better
24	= 4.40 – 4.49
23	= 4.30 – 4.39
22	= 4.20 – 4.29
21	= 4.10 – 4.19
20	= 4.00 – 4.09
19	= 3.90 – 3.99
18	= 3.80 – 3.89
17	= 3.70 – 3.79
16	= 3.60 – 3.69
15	= 3.50 – 3.59

(3) For class rank, the following ranking points shall be awarded to the applicant based on the percentage of the class the student ranks in at the end of either the sophomore or the junior year:

<u>Points</u>	<u>Rank</u>
25	= .50% and better
24	= .51 - 1.00%
23	= 1.01 - 1.50%
22	= 1.51 - 2.00%
21	= 2.01 - 2.50%
20	= 2.51 - 3.00%
19	= 3.01 - 3.50%
18	= 3.51 - 4.00%
17	= 4.01 - 4.50%
16	= 4.51 - 5.00%
15	= Points awarded to students who are eligible based on the fact that they rank #1 or #2 in the class (Section 62-320E).

(4) The following ranking points shall be awarded for extracurricular activities/work experience:

	<u>Possible Points</u>	<u>Explanation</u>
Activity/Experience	= 12	The applicant can list up to six extracurricular activities/work experiences worth two points each for a possible total of twelve points.
Grade Level	= 1	The applicant will mark the grade level(s) that each activity/experience was performed. One point will be awarded for marking at least twelve blocks under the grade level section.
Total Hours	= 1	The applicant will be awarded one point for having expended at least 360 hours in extracurricular and/or work activities.
Positions Held	= 1	The applicant will be awarded one point for holding either two leadership positions or one top leadership position (president, editor, etc.).

(5) The following points shall be awarded for counselor's recommendation:

Highly Recommend	= 5 points
Recommend	= 3 points
Recommend with Reservations	= 1 point
Do Not Recommend	= 0 points

C. The Commission on Higher Education will award the Palmetto Fellows Scholarships based on priority ranking. The Commission on Higher Education will rank order alternate applicants in priority order. As students who have been named Palmetto Fellows decline to accept the scholarship or fail to meet the eligibility requirements to receive the award, eligible alternate applicants will be awarded scholarships until all available funds are allocated.

D. The Commission on Higher Education shall notify students of their selection as a Palmetto Fellow along with terms and conditions of the award.

E. Students must notify the Commission on Higher Education of their acceptance of the scholarship and designate the participating institution in which they plan to enroll by the date established by the Commission on Higher Education or forfeit the Palmetto Fellows Scholarship.

F. The Commission on Higher Education shall ensure that there is equitable minority participation in the program.
